To Whom It May Concern:

Cole Elementary recently hosted a YouInspire! Assembly, featuring special guest, Mr. George Dennehy.

We invited our third and fourth graders and their teachers to spend an hour listening to and interacting with George. George's message resonated with our students in a profound way. He attached a sense of normalcy and acceptance related to adversity that transcends our students' physical, emotional and socio-economic challenges.

After having participated in the YouInspire! Assembly, Cole Elementary believes that our third graders are better prepared to be leaders at our school next year, and that our fourth graders are equipped with the compassion and confidence they'll need to have a successful first year of middle school!

I appreciated the ease in which YouInspire! communicated with me prior to, during and after the assembly. This organization is extremely efficient and made up of a "dream team" of passionate individuals!

Cole Elementary hopes to host another YouInspire! Assembly next school year, as we are whole-heartedly in support of its message of finding strength within and comfortable seeking support from others.

Please feel free to reach out with any questions!

Sincerely,

Sarah Nieto
